

SRUTHI S

Front-End Developer | Performance-Focused UI

+91 93607 07061 | sruthismanian@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

Front-End Developer specializing in building responsive, performance-optimized web applications using React.js, JavaScript (ES6+), and Tailwind CSS. Experienced in developing e-commerce and portfolio platforms with strong focus on mobile-first architecture, UI performance, and clean component structure. Passionate about delivering scalable, production-ready interfaces.

SKILLS

- Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS
- UI & Layout: Responsive Design, Flexbox, CSS Grid, Mobile-First Development
- Tools & Workflow: Git, GitHub, Chrome DevTools, Lighthouse
- Backend Exposure: Node.js, Express.js, MongoDB (Foundational Knowledge)

PROJECTS

Fluffy Bites – Responsive Waffle Store Website

[Live-link](#) | [GitHub-link](#)

- Built a responsive multi-page website (Home, Menu, About) with structured navigation and clean UI.
- Implemented mobile-first layout ensuring compatibility across desktop, tablet, and mobile devices.
- Designed consistent components and product grid using Tailwind CSS

ArtLoom – Art Portfolio & Order Website

[Live-link](#) | [GitHub-link](#)

- Designed multi-page art showcase with category filters + booking form
- Streamlined Tailwind CSS architecture reducing CSS file size by 40%
- Established semantic HTML structure enabling 2x faster React migration

WORK EXPERIENCE

Web Development Intern

Intrainz, Bengaluru | Jul 2023 – Sep 2023

- Collaborated with cross-functional teams to deliver project components within deadlines.
- Assisted in developing responsive user interfaces and improving application usability.
- Participated in requirement discussions and contributed to solution planning.
- Maintained documentation and ensured quality standards across deliverables.

MERN Stack Trainee

Revamp Academy | 2025 – Present

- Strengthened understanding of frontend technologies and structured application development.
- Actively learning backend fundamentals and API integration concepts.
- Completed guided assignments to enhance practical problem-solving skills.

EDUCATION

B.Tech – Computer Science and Engineering

Kalasalingam Academy of Research and Education

2021 – 2025
